

IDENTITY THEFT PREVENTION AND ACTION POLICY

CENTA strives to prevent the intentional or inadvertent misuse of patients' names, identities, identifying information, and medical records. CENTA will report any criminal activity relating to identity theft and theft of services to appropriate authorities and will take steps to correct and/or prevent further harm to any person whose name or other identifying information is used unlawfully or inappropriately.

Please bring a driver's license, passport, or military ID. If you do not have a photo ID, we need two forms of non-photo ID issued by a state or federal agency such as Social Security card, utility bill or company/school ID.
